Oshiyemi Kashope

07045969801 | kashopeoshiyemi@gmail.com | Lagos,Nigeria

Summary

Full-Stack Web Developer with strong experience building modern, responsive web applications using **React, JavaScript, Node.js, and REST APIs**. Skilled at developing intuitive front-end interfaces while implementing reliable backend logic and data handling. Experienced in working across the full development lifecycle from UI design to deployment. Passionate about creating scalable applications, writing clean maintainable code, and continuously improving technical skills through real-world projects.

Education

Covenant University | Lagos,Nigeria
Management and Information System | 08/2025

Skills

Full-Stack Web Application Development, Database Design & Data Handling, Problem Solving & Debugging, Modern React Architecture, Cross-Functional Collaboration, API Design & Integration

Experience

Rekrut Consulting | Lagos,Nigeria
Full Stack Developer | 05/2023 - Present

- Developed and maintained full-stack web applications using React, Node.js, Express and PostgreSQL to support internal tools and client-facing platforms.
- Built responsive user interfaces with **React, Typescript, Next.js and Tailwind CSS**, ensuring consistent performance across desktop and mobile devices.
- Designed and integrated REST APIs to enable seamless communication between frontend applications and backend services.
- Implemented database operations and data management using PostgreSQL to support application functionality and data persistence.
- Collaborated with cross-functional teams to develop new features, troubleshoot issues, and improve system performance.

Sidmach Technologies | Lagos,Nigeria
Frontend Developer | 03/2024 - 09/2024

- Assisted in the development of web interfaces using **JavaScript, React, and Tailwind CSS**, contributing to responsive and user-friendly frontend components.
- Contributed to development tasks related to the **WAEC website**, supporting frontend implementation and improving UI responsiveness across devices.
- Collaborated with developers to debug issues, implement new features, and maintain existing web components within the application.

Rekrut Consulting ltd | Lagos, Nigeria
Graphic Designer | 01/2022 - 04/2023

- Designed logos, branding assets, and marketing materials for client campaigns using **Photoshop, Figma, and Canva**.
- Created visually engaging digital graphics and promotional content to support marketing and product initiatives.
- Collaborated with team members to develop **UI mockups and design concepts** for web-based projects.
- Ensured brand consistency across visual assets while adapting designs for different digital platforms and screen sizes.
